To Collectors—This sale, coming as it does at the opening of the fall season, offers to the collecting public a big variety of superior numismatic material. Your attention is respectfully called to the choicest gold dollars and other U. S. gold; the complete series of commemorative including Panama Pacific half dollars, \$2.50 gold, Nevada Centennial dollar, Independence Centennial dollars, and 1909 Henry Hudson dollar in silver; new Hawaii Capt. Cook Commemorative half dollar; many large cents, including all dates with four of 1804; fine priced coin auction catalogs, many choice foreign silver of dollar size; numerous tokens, Political, Civil War, Hard Times, etc.; fine medals; large lot of U.S. fractional currency; good collection of Colonial coins including Mass. Pine & Oak Tree silver; Ancient Roman and Greek bronze and silver; rare foreign copper coins; Bryan dollars; and a fine line of United States coins with a perfect 1856 flying eagle cent.

Keep on my mailing list by sending bids, or if you find nothing to bid on, request next list simply by a postal card. You will find a great variety of numismatic material in this sale, some choice and rare items, and will be well paid for giving the contents of this sales list your careful perusal.

The usual charge of 5% will be made for executing your bids, and for packing and sending out material. No charge made on anything not actually purchased. This fee is very low for the superior service I expect to give you.

Collectors of experience find that not all dealers classify coins alike.

My classifications and descriptions are based on knowledge gained through 15 years of earnest dealing in coins. I have endeavored to refrain from over-rating the quality of a lot, which is so common. I believe that the word "RARE" should not be over-worked.

Please remember my strong guarantee. If goods are not satisfactory (you are to be the judge), you are at liberty to return them without any danger of offending.

New bidders should send references or a deposit of at least 25 per cent of bids.

Coins will be bought as much below your bids as possible, as this is competitive bidding carried out in good faith.

If you do not know how much to bid on any

item, write me and I shall be glad to inform you as to its value.

Receipted bills are not sent out after your remittance as this is unnecessary. Your check, draft, or money order itself is a receipt and we ask you to pay only once. However, if a 2-cent stamp is enclosed we will send receipt.

Some new unsolicited testimonials recently received:

"I am well pleased with the coins you secured for me." From Kansas.

"Your check for \$190.96 in payment for coins received this A.M. and I say frankly, Mr. Bolender, that I received ONE-THIRD MORE than I had expected. I appreciate more than I can express your past favors. I have dealt with you for a long time and have found you a square shooter." FLORIDA.

"I received goods and items from your July sale a few days ago and must say I had a real thrill and surprise in value received. Keep me on your list. Thanking you for the courtesy shown, I also enclose my check."

"I received check for proceeds from the sale. The result is entirely satisfactory to me and more than I expected." New York.

Let me sell your collection or duplicates in these sales. Quick returns and satisfactory results are realized. My sales are held regularly each month. Write for terms.

Please bid by the piece unless stated to bid for the lot.
